

# **SHUT UP. SIT DOWN. AND PUT YOUR MASK ON.**

## **What Happened at the 2025 Crystal Key Members Meeting?**

The pleasant atmosphere of the 2024 Members Meeting was gone in a blink as the Members Meeting was called and I tried to get a reschedule to December 18<sup>th</sup> to assure proper election of Board Members. Having no information from the Nominating Committee, I tried to inquire about any vacancies being filled but was told that information from the Nominating Committee was only for Board Members and that there were no vacancies being filled. I stood down on my request for a reschedule. What happened next I found outrageous as the Directors convened their meeting and appointed two new Board members to fill vacancies beyond the minimum required. My objections to the Unelected was over-run. Most outrageous was the reappointment of the Board Member who originated the dreadful Comcast Contract for Cable TV, hooking us up for harvesting like a crop. Then they all voted to raise the monthly fees again.

**IS THIS OK WITH YOU OR DO YOU WANT TO RESCHEDULE THE MEMBERS MEETING?**

**PLEASE HELP ME GET OUR VOICES HEARD**

**LET YOUR BOARD MEMBERS KNOW THEY MUST BE ELECTED (I thought we did that last year.)**

**COME OUT AND VOTE! RUN FOR OFFICE!**

**OR YOU CAN ASSIGN YOUR PROXY TO ME AND I WILL TRY TO VOTE US A BETTER DEAL**

**YOUR PARTICIPATION IS NEEDED**
